Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

There are fewer than three directly comparable sales due to the property's uniqueness and recent subdivision, resulting in a 495m² land area. The selected comparable properties are the closest available, noting 2 Kerrie Street, Morwell, is a more dated property with one less bedroom, while 1/3 Vindon Avenue, Morwell, has one less bedroom as well.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
